

# Light In the Hallway

## Pentatonix

Close your eyes, lay your head down  
Now it's time to sleep  
May you find great adventure  
As you lie and dream  
If you're scared of the darkness  
I will calm your fear  
There's a light in the hallway  
So you know I'm here So count your blessings every day  
It makes the monsters go away  
And everything will be okay  
You are not alone  
You are right at home  
Goodnight, goodnight  
You won't need me forever  
But I'll still be here  
For we all have our nightmares  
Even me, my dear  
From now on, if you need me  
You can sing this song  
There's a light in the hallway  
Burning all night long  
So count your blessings every day  
It makes the monsters go away  
And everything will be okay  
You are not alone  
You are right at home  
Goodnight, goodnight  
Goodnight, goodnight
