

Fly

Sugar Ray & Super Cat

All around the world statues crumble for me
Who knows how long I've loved you
Everyone I know's been so good to me
Twenty-five years old, my mother God rest her soul(Lord have mercy)
I just want to fly
(like a bird,
Put your arms around me baby
Put your arms around me babyI just want to fly
Put your arms around me baby
Put your arms around me babySpread your love and fly
Spread your love and fly
Spread your love and fly
Dance a little stranger show me where you've been
Love can make you hostage, wanna do it again
There's no time to think 'bout the starting or the endWe'll find out I'm told, my mother she told
me so
I just want to fly
Put your arms around me baby
Put your arms around me babyI just want to fly
Put your arms around me baby
Put your arms around me babyI just want to fly
Spread your arms and fly
I just want to flyAll around the world statues crumble for me
Who knows how long I've loved you
Everyone I know's been so good to me
Twenty-five years old, my mother God rest her soul
I just want to fly
Put your arms around me baby
Put your arms around me babyI just want to fly
Put your arms around me baby
Put your arms around me baby
I just want to fly
I just want to fly
I just want to fly
I just want to fly
All around the world statues crumble for me
I just want to fly
I just want to fly
