## **Pretty Girls**

## Britney Spears & Iggy Azalea

All around the world, pretty girls Wipe the floor with all the boys Pour the drinks, bring the noise (It's Iggy-Iggs!) We're just so pretty! All around the world, pretty girls Jump the line, to the front Do what we like, get what we want (Where you at, Brit?) We're just so pretty!Hey, don't you know that it's always the same? From Australia 'round to LA You can betcha', wherever the girls go, boys follow We be keeping them up on their toes They can laugh, but they don't get the jokes Just you watch, they're so predictable (Some things don't change...) (The girls roll up) Windows roll down (Eyes on us) Jaws on the ground (Watch them go) It's just so funny (Like bees to the honey!)All around the world, pretty girls Wipe the floor with all the boys Pour the drinks, bring the noise We're just so pretty! All around the world, pretty girls Jump the line, to the front Do what we like, get what we want We're just so pretty! Tell me, is it true that these men are from Mars? Is that why they be acting bizarre? Every time I walk out of my house it's like, "Hey, baby!" They don't see me rolling my eyes They buzzing around me like flies They got one thing on their minds (Some things don't change...)(The girls roll up) Windows roll down (Eyes on us) Jaws on the ground (Watch them go) It's just so funny

(Like bees to the honey!)All around the world, pretty girls Wipe the floor with all the boys Pour the drinks, bring the noise We're just so pretty! All around the world, pretty girls Jump the line, to the front Do what we like, get what we want We're just so pretty!If you ask me, I'm killing them softly I would spend time with you but that'd cost me They pray that Iggy-Iggy give 'em one more chance But busy Iggy wouldn't even give 'em one more glance See, enter in line between the beauty and a beast Slim waist, thick cake, the whole world want a piece Bad girl, good (ooh) would make you lose your mind All of the boys begging Britney, hit 'em one more timeIggs (What's up, Britney?)(Uh huh) All around the world, pretty girls Wipe the floor with all the boys Pour the drinks, bring the noise We're just so pretty! All around the world, pretty girls Jump the line, to the front Do what we like, get what we want We're just so pretty! Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
