Love Will Tear Us Apart

Joy Division

When routine bites hard and ambitions are low And resentment rides high but emotions won't grow And we're changing our ways, taking different roads Love, love will tear us apart again Love, love will tear us apart againWhy is the bedroom so cold turned away on your side? Is my timing that flawed, our respect run so dry? Yet there's still this appeal that we've kept through our lives Love, love will tear us apart again Love, love will tear us apart again Do you cry out in your sleep, all my failings exposed? Get a taste in my mouth as desperation takes hold Is it something so good just can't function no more? But love, love will tear us apart again Love, love will tear us apart again Love, love will tear us apart again Love, love will tear us apart again
