

# When You're in Love With a Beautiful Woman

[Dr. Hook](#)

When you're in love with a beautiful woman, it's hard  
When you're in love with a beautiful woman, you know it's hard  
    Everybody wants her, everybody loves her  
    Everybody wants to take your baby home  
When you're in love with a beautiful woman, you watch your friends  
    When you're in love with a beautiful woman, it never ends  
    You know that it's crazy, you wanna trust her  
    Then somebody hangs up when you answer the phone  
When you're in love with a beautiful woman, you go it alone  
    Maybe it's just an ego problem  
Problem is that I've been fooled before  
    By fair-weather friends and faint hearted lovers  
    And every time it happens it just convinces me more  
When you're in love with a beautiful woman, you watch her eyes  
    When you're in love with a beautiful woman, you look for lies  
    Everybody tempts her, everybody tells her  
    She's the most beautiful woman they know  
When you're in love with a beautiful woman, you go it alone  
When you're in love with a beautiful woman, you watch your friends  
    When you're in love with a beautiful woman, it never ends  
When you're in love with a beautiful woman, you watch her eyes
