

Baby Baby Baby

Joss Stone

Baby, baby, baby
Tell me do you really love me
Baby, baby, baby
Will you always be there for me I can't live without your lovin'
Baby can't you see
Baby, baby, baby
Tell me do you love me now I can't wait to see your face everyday
I can't explain the way I feel when I'm around you
There's a space in my heart that belongs to you only
And no one else in this world comes close to you Do you understand what I'm saying
Well, do you understand me
Got a thing for you and I'm not playing
It's something I need to know
Baby, baby, baby
Tell me do you really love me
Baby, baby, baby
Will you always be there for me I can't live without your lovin'
Baby can't you see
Baby, baby, baby
Tell me do you love me now, oh
Tell me do you love me now, oh I can't imagine how my life would be without you
I don't know if I'd survive another day
No pressure but I'd love to keep you safely
Promise me it's real and that you would never fake it, my Do you understand what I'm saying
Do you understand me
Got a thing for you and I'm not playing
I'm not playing, I'm not playing
Baby, baby, baby
Tell me do you really love me
Baby, baby, baby
Will you always be there for me I can't live without your lovin'
Baby can't you see
Baby, baby, baby
Tell me do you love me now, oh
Tell me do you love me now Love me baby, love me baby
And nothing else don't matter
Your love is all I'm after
Ooh, I need to have ya Oh, I don't need no other man
You're the one my heart demands
I'm your girl, you're my world
Please don't let me down Don't let me down
Tell me do you really love me

Ooh, baby, baby, baby
Will you always be there for me I can't live without your loving
Baby can't you see, oh
Baby, baby, baby
Tell me do you love me now Baby, baby, baby
Tell me do you really love me
Baby, baby, baby
Will you always be there for me See I can't live without your lovin'
Baby can't you see
But baby, baby, baby, baby
Tell me do you love me now Tell me do you love me now
Tell me do you love me now
Tell me do you love me now
Tell me do you love me now Tell me do you love me now
Tell me do you love me now
Tell me do you love me now
Tell me do you love me now
Gotta let me know that you love me so
Tell me do you love me now
Gotta let me know
Tell me do you love me now
That you love me so
Gotta let me know that you love me so
