

Through the Iris

10 Years

Cherish

Two circular views of blue with a grey shade
So captivating
More than you know. False perceptions
That brought forth these questions of Truth, love and hope.
Now that you're injuring
I carry you with me just Please hold on.
Dissapear and dissolve
A weakening wall Will one day fall.
It's wise to sever our loss A redefined pulse Through your iris.

Love's not all lost
But it's nailed to my cross
And crucified all that I've held on
To be awaiting
Anticipating a touch such as yours.

False affection
A spawn of neglecton
Of love, lust, hoax.
Please understand me
That now where you're standing
Is closer than I'd hoped.
Dissapear and dissolve
A weakening wall
Will one day fall.

It's wise to sever our loss
A redefined pulse
Through your iris.

Your iris...

Your iris...

Dissapear and dissolve
A weakening wall
Will one day fall.

It's wise to sever our loss
A redefined pulse
Through your iris.

Dissapear and dissolve
A weakening wall
Will one day fall

It's wise to sever our loss
A redefined pulse
A new iris.
