

# Broken Boy (feat. Iggy Pop)

## Cage the Elephant

I was born on the wrong side of the train-tracks  
I was raised with the strap across my back  
Lay me on my side or hold me up to the light, yeah  
I was burned by the cold kiss of a vampire  
I was bit by the whisper of a soft liar Any good friend of yours is a good friend of mine  
Broken boy  
How does it feel?  
Broken boy  
How does it feel?  
How does it feel?  
Tell me why I'm forced to live in this skin  
Tell me why I'm forced to live in this skin  
I'm an alien, not just an alien, oh  
Tell me why I was born to live in this skin  
Tell me how I'm supposed to be forgiven  
With my hand in the hive and the sun in my eyes, yeah Broken boy  
How does it feel?  
Broken boy  
How does it feel?  
How does it feel? I was born on the wrong side of the train-tracks  
Always born on the wrong side of the train-tracks  
Lay me on my side or hold me up to the light, yeah  
I was burned by the cold kiss of a vampire  
I was promised the keys to an empire  
Any good friend of yours is a good friend of mine, oh  
Broken boy  
How does it feel?  
Broken boy  
How does it feel?  
How does it feel?
