

In Your Arms (feat. Jump Smokers & Belly)

Mia Martina

I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away, I should've walked away For tonight it's just you and I together,
Take my hand, hold my body close, forever baby
I, know that this is wrong in many ways
I, can't help myself, I'm falling for you
Every time, you know just what to say to me,
Got me going crazy
Oh, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away, I should've walked away I should've walked away
I should've walked away Must have been something that you said
When I had my arms around you
It just replays in my head
Without you I'd be dead
And tonight I feel more love than I've ever felt in my life
I tried to walk away, I almost left,
But it just felt too right I should've walked away
I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away, I should've walked away
