

The Creeps (Camille Jones Club Mix)

Camille Jones & Fedde le Grand

Come on down to the creeps
Come on down to the creeps
(x 2) Make me take the ride
Free drinks on tonight
Take some have a feast
Break me 'cause it keeps coming...Down on either side
Bleeding in my mind
Waiting for the creeps
To kill my last believes So come on down to the creeps
Come on Come on down to the creeps
Come on down to the creeps
Come on
Walking to the claim
The creeps calling my name
They get me every-time
I'm bleeding and i'm getting We go split before my eyes
Increase, double size
Lease out my brain
Am i insane to go.....on down to the creeps Come on down to the creeps(x5)
Come on Come on down to the creeps Holding back the key
Fading sanity
Blowing up my head
Reaching for my always loving...
Partner up in crime
Soaking up my mind
Filling up my glass
I'm gone, at last So come on down to the creeps
(-repeat till the end-)
