

Jesus Again

Tamela Mann

No other name
Has power to heal
No other God
Can deliver and fill
Our hearts
With compassion,
Grace in your love
Immerse us again
With your precious blood We are hungry, thirsty
We're desperate for mercy
We call on your name once again We want Jesus
We need Jesus
We want Jesus
Jesus Again
No other name
Has power to heal
No other God
Can deliver and fill
Our hearts
With compassion,
Grace in your love
Immerse us again
With your precious blood We are hungry, thirsty
We're desperate for mercy
Hungry, thirsty, desperate for mercy
We are Hungry, thirsty, desperate for mercy
We call on your name once again We want Jesus
We need Jesus
We want Jesus
Jesus Again [×2]
If you don't come
We won't last
If you don't come
We won't last
If you don't come
We won't last
We need Jesus Again [×3] We want Jesus
We need Jesus
We want Jesus
Jesus Again [×2] I want Jesus
I need Jesus
Jesus Again [×2] Come to our rescue Lord

We need Jesus
Mmm... can't make it with out
We're so desperate for you
We're running back to you
yeh!!...
