Affair of the Heart

Rick Springfield

Heart in my mouth
Pulse in my head
Mercury rising into the red
The smell of your skin can
Light up all the fires in meHungry to touch
I'm eager to please
Out of control
And I hand you the keys
Every night I am burning

To make love to youBut don't try to tell me you think it's all physical

It goes much deeper than that

You ought to know

It's an affair of the heart

It's an affair of the heart

It's an affair of the heart

Have a little blind faith, believe

It's an affair of the heartWhen we make love

It's a passionate thing

You shudder and shake

Sink your teeth in my skin

I almost believe you were made

To be played by my hands And you got the power

It amazes me still

How you play my emotions

With consummate skill

I don't have to look any further

Than into your eyes

So don't try to tell me

You think it's just physical

It goes way deeper than that You better know

It's an affair of the heart

It's an affair of the heart

It's an affair of the heart

Have a little blind faith, believe

It's an affair of the heartI'm the controller

And I want to touch you and seize you

And make you mine, hey, heyDon't try to tell me

You think it's all physical

It goes much deeper than that

You ought to know

It's an affair of the heart

It's affair of the heartYou better know
It's an affair of the heart
It's an affair of the heartYou better know
it's an affair of the heart
Have a little blind faith, believe
It's an affair of the heart
