There's Something On My Side

Down

It took a lot to sell my soul
The same thing happened yesterday
I paid my price, then felt alive
But no pulse is within my veinsNever will I lie and say I'm still alive

Come what may to me, there's something on my sideI'm left with heart, 'cause inside me's gone

Compulsion drives me anyway

I play my part and my part is large

Makes me stronger every day

Never will I lie and say I'm still alive

Come what may to me, there's something on my sideOne year and it ain't so bad

I'm trying to see things clearly

The clearer it gets, the more I'm confused

I'm thinking more about blindness

Thinking hard about blindness

Thinking purely of blindness

There's something on my side
