

# I'm Not Trying To Keep Score No More

[Eric Roberson](#)

I'm ain't gon' lie, this might be the most important song I ever wrote

So take note

Yeah I'm just tryna be right

And I'm not just sayin' like "right," I wanna be right with her

See before I just was tryna be right

Didn't matter, whatever the case you know

So this ain't just to my girl

If you've been having problems lately

Maybe not talking much wit' ya lady

I want you to play this record for her

Now radio might not play this intro, it don't matter

It's for you, it's for you, it's for you, it's for you

I'm not tryna keep score no more

That's not what I'm in it for

I ain't trying to win

I'm not trying to fight no more

That's not what I'm in it for baby, oh no no

Now if I win the argument, girl

And lose you in the end

Do I really win?

Come on let's not pretend

That all the fussin' and fightin' is more important than

Girl what we have

You can have the last word

'Cause I prefer

To have your heart

Girl, have your smile all the time

Love is not a football game

What's with the games we're playing all the time?

Please recognize

I'm not tryna keep score no more

That's not what I'm in it for

I ain't trying to win

I'm not trying to fight no more

That's not what I'm in it for baby, oh no no

I'm not concerned with yesterdays, girl

Let the past be the past

See today is all we have

And I'd rather make you laugh

But I take this love so serious

Any problem you wanna discuss, I'm all ears

Know that I am here for you

So whatever you're going through  
Understand I'm not the problem, girl  
I'm just by your side to help you through it  
I hope you understand I just wanna be your man  
This ain't no competition, girl  
I'm not tryna keep score no more  
That's not what I'm in it for  
I ain't trying to win  
I'm not trying to fight no more  
That's not what I'm in it for, baby oh oh no  
Tell ya what I wanna do  
Focus on your lovin'  
I'm not tryna keep score no more  
That ain't what I'm in it for, no  
I'm not trying to fight no more  
No baby
