Pieces of Me

Ashlee Simpson

On a Monday, I am waiting
Tuesday, I am fading
And by Wednesday, I can't sleep
Then the phone rings, I hear you
And the darkness is a clear view

Cuz you've come to rescue meFall... With you, I fall so fast I can hardly catch my breath, I hope it lastsIt seems like I can finally rest my head on something real

I like the way that feelsIt's as if you know me better than I ever knew myself I love how you can tell

All the pieces, pieces, pieces of me All the pieces, pieces, pieces of me I am moody, messy

I get restless, and it's senseless
How you never seem to careWhen I'm angry, you listen
Make me happy it's your mission
And you won't stop til I'm thereFall... Sometimes I fall so fast

When I hit that bottom

Crash, you're all I haveIt seems like I can finally rest my head on something real I like the way that feelsIt's as if you known me better than I ever knew myself I love how you can tell

All the pieces, pieces, pieces of meHow do you know everything I'm about to say?

Am I that obvious?

And if it's written on my face...
I hope it never goes away... yeah
On a Monday, I am waiting

And by Tuesday, I am fading into your arms...

So I can breatheIt seems like I can finally rest my head on something real I like the way that feelsIt's as if you've know me better than I ever knew myself I love how you can tellI love how you can tell love how you can tell

All the pieces, pieces, pieces of me All the pieces, pieces, pieces of me...
