

Stalemate

Limp Bizkit

It's not my mind. x6 (It's not my mind)
Yo J.Can I get a little bit.
Heah, ha, eah...Your veins flow with poison.
Please acknowledge my present
This precious gift and behold and discard it like trash.
To dominate it's in your nature, you selfish brat.
I can't believe you had me
Strung out over you like that!
One minute your sweet, the next minute your sour.
I taste the envious predictions.
Change with each hour, I've seen this before
You even decide to step into my world.Strange things occurring,
Happening over and over and over again.
Now bitch you are cruelty.
You bark your orders with such degrading dialect.
I can't believe you had me
Strung out over you like that!One minute your sweet, the next minute your sour.
I taste the envious predictions.
Change with each hour, I've seen this before
You even decide to step into my world.Gonna funk it up.
One minute you think your all this
The next minute you think your all that
But your playin' with tha' nova
Momma didn't show ya'
How to take gettin' canned by the man when it's over.
I've been hunting you down
Waiting for the payback, your frown.
Begging me for your mercy
I ain't down with tha' sypathy, you see.
And I'll always remember your tender looove!
Wipe me under tha' rug, just so you can step on my spine...I'M GONNA GET MINE!
I'm gonna get mine!? reminds me. (I'm gonna get mine!)
I guess I was wasted by envy. (I'm gonna get mine!)
Beyond this love is such a? (I'm gonna get mine!)
I'd like to rearrange your face! I'm gonna get mine.Please don't wake me.Your so sweeet.
Your so sweeet.
Your so cheeeap.
I'm gonna get mine!
I'm gonna get mine!I'd like to rearrange your face (I'm gonnna get mine!)Your always right,
and I'm always wrong. (Your not my mind)
That's why you love me so much. (Your not mine)
Your so sweet, I love you. (Your not my mind)

Your so sweet, I love you. (Your not mine)
