[too \$hort]

so you want to be a gangster. all that shit  
smoke any motherfucker, don't even trip  
you be hard as hell, take whatever you want  
punk suckers wanna front -- they get done  
cause you a gangster -- nuttin more nuttin less  
put my boy to the test and catch one in your chest  
since he was young, homeboy won't back down  
cause real gangsters, always hold that frown  
until you lose control, then you sell your soul  
to the devil motherfucker cause you're way too cold  
and all the people hide and just run inside  
cause you keep usin yo' gat commitin homicide  
boy i tell ya, life is way too \$hort  
another brother just got smoked  
and you killed him -- ain't that a bitch?  
cause it really ain't shit  
(gangsta, gangsta)  
shoot em up (gangsters)  
that ain't cool (gangsters)  
ain't that a bitch (gangsters)  
shoot em up (gangsters)  
that ain't cool (gangsters)

Let me tell you somethin youngster. you got it all wrong  
gangsters don't live that long  
i had gangster potnahs get they heads to' off  
for some of that gangster shit, get caught in the cross  
you want stripes, take yo' ass to the service  
cause when it's on, ain't no time to get nervous  
pull the trigger. yeah you did it  
you'se a gangster and i got to admit it  
but you'se a youngbuck. you ain't learned yet  
killing don't make you a vet  
get out the fast line -- stick with the homeboys  
ready made gangster get gone boy  
cause where i'm from it's the same old shit  
you call them shots, when you're down with the click  
niggaz dyin everyday but that's a black thang  
you either sell dope, or your gangbang  
but you got the biggest heart in the click man  
you did a murder, and now you're a hitman

all your homies tryin to tell you, that ain't cool  
playin shoot 'em up, like a fuckin fool  
but you'se a gangster, one they can't destroy  
don't even give a fuck, about your boys  
you go for self, you wanna be on top?  
fucked around and now your brother's shot  
(gangsters)  
shoot em up (gangsters)  
that ain't cool (gangsters)  
ain't that a bitch (gangsters)  
shoot em up (gangsters)  
that ain't cool (gangsters)  
(gangsters) ain't that a bitch  
(gangsters) and it don't stop  
to the beat
