

# Welcome to Burlesque

Cher

Show a little more  
Show a little less  
Add a little smoke  
Welcome to Burlesque Everything you dream of  
But never can possess  
Nothing's what it seems  
Welcome to Burlesque Oh!  
Everyone is buying  
Put your money in my hand  
If you got a little extra  
Well, give it to the band  
You may not be guilty  
But your ready to confess  
Tell me what you need  
Welcome to Burlesque You can dream of Coco  
But do it at your risk  
The triplets grant you mercy  
But not your every wish  
Jessie keeps you guessing  
So cool and statuesque  
Behave yourself says Georgia  
Welcome to Burlesque Oh!  
Everyone is buying  
Put your money in my hand  
If you want a little extra  
Well, you know where I am  
Something there in the dark  
Is playing with your mind  
It's not the end of days  
But just the bump and grind  
Show a little more!  
Show a little less!  
Add a little smoke  
Welcome to Burlesque!.
