

# Colder Than Winter

Vince Gill

It's colder than winter  
Right here in my heart  
Lord, I'm going to miss her  
She's torn me apart Couldn't make her love me  
I couldn't give you anymore  
It's colder than winter  
Since you've closed the door It's colder than winter  
I'm freezing inside  
And my tears won't be bitter  
Even though our love died  
Couldn't make her love me  
I couldn't give anymore  
It's colder than winter  
Since you've closed the door Every time the sunsets  
I shed another tear  
And the lonelier I get  
Wishing you were still here OOOOOOooooohhhhhh OOOOOOooooohhhhhh  
Couldn't make you love me  
I couldn't give you anymore  
It's colder than winter  
Since you've closed the door It's colder than winter  
Since you've closed the door
