

# Fishin' in the Dark

## Emerson Drive

Lazy yellow moon comin' up tonight  
Shinin' through the trees  
Crickets are singin' and lightning bugs  
Are floatin' on the breeze  
Baby get ready...  
Across the field where the creek turns back by the ol' stump in the road  
I'm gonna take you to a special place that nobody knows  
Baby get ready... ooooh ooooh Chorus:  
You and me going fishin' in the dark  
Lying on our backs and counting the stars  
Where the cool grass grows  
Down by the river in the full moonlight  
We'll be fallin' in love in the middle of the night  
Just movin' slow...  
Staying the whole night through, feels so good to be with you  
Spring is almost over and  
summer's come  
And the days are gettin' long  
Waited all winter for the time to be right, just take you along  
Baby get ready...  
And it don't matter if we sit forever and the fish don't bite  
Jump in the river and cool ourselves from the heat of the night  
Baby get ready... ooooh ooooh  
Chorus (repeat)
