

# Alone Again

## The Weeknd

Take off my disguise  
I'm living someone else's life Suppressing who I was inside So I throw 2000 ones in the sky  
Together we're alone  
In Vegas I feel so at home  
I'm falling only for the night  
So I throw 2000 ones in the sky  
How much to light up my star again  
And rewire all my thoughts?  
Oh baby, won't you remind me what I am?  
And break, break my little cold heart  
Call me up and I'll send for you Take me down to your altitude  
I don't know if I can be alone again  
I don't know if I can sleep alone again Check my pulse for a second time  
I took too much, I don't wanna die  
I don't know if I can be alone again  
I don't know if I can sleep alone again  
Count it up, it's all for you, count it up  
Count it up, it's all for you, count it up  
I don't know if I can be alone again  
I don't know if I can be alone again
