

# I Won't Forget You

## Poison

Late at night i close my eyes  
and think how things coulda been  
and when i look back  
i remember some words you had said to me it's better to have lost at love  
then never to have loved at all\* i won't forget you baby, (i won't forget you)  
even though i could  
i won't forget you baby, (i won't forget you)  
even though i should, yeah\*  
Sometimes, in my head  
i can still see pictures of you  
and i laugh to myself  
when i think of all those crazy things that we used to do all the miles come between us  
just between you and meoh,  
\*\* well,  
I should let you fade away  
but that just wouldn't be meoh, baby All the miles come between us  
just between you and me  
\*\*  
I won't forget you baby (i won't forget you)  
memories slowly fade  
i won't forget you baby (i won't forget you)  
and all the plans we made  
I won't forget you baby
