A Baby Just Like You

John Denver & The Muppets

The season is upon us now A time for gifts and giving And as the year draws to its close I think about my livingThe Christmastime when I was young The magic and the wonder But colors dull and candles dim And dark my standing underOh little angel, shining light You've set my soul to dreaming You've given back my joy in life You' ve filled me with new meaning A savior king was born that day A baby just like you And as the Magi came with gifts I've come with my gift tooThat peace on earth fills up your time That brotherhood surrounds you That you may know the warmth of love And wrap it all around you It's just a wish, a dream I'm told From days when I was young Merry Christmas little Zachary Merry Christmas ev'ryone Song Discussions is protected by U.S. Patent 9401941.
