A Criminal Mind

Gowan

You see my hands are steady You've seen my face before Soon you can take your last lookAnd they'll close the door I stand accused before you I have no tears to cry And you will never break me 'Till the day I dieA criminal mind

Is all I

All I've ever known They tried to reform me But I'm made of cold stone My criminal mind

Is all I All I've ever had

Ask one who's known me If I'm really so bad...

I AM

I've spent my life behind these steel bars I've paid my debt in time But being brought to justice That was my only crime I don't regret a single action I'd do the same again These prison walls secure me And I'm numb to pain A criminal mind

Is all I

All I've ever known They tried to reform me But I'm made of cold stone My criminal mind Is all I

All I've ever had Ask one who's known me If I'm really so bad...

I AM

Before you hand me over Before you read my sentence I'd like to say a few words Here in my own defense... Some people struggle daily They struggle with their conscience Till the end

I have no guilt to haunt me
I feel no wrong intentA criminal mind
Is all I
All I've ever known
Don's try to reform me
'Cause I'm made of cold stone
My criminal mind
Is all I've ever had
Ask one who's known me
If I'm really so bad...
I AMI'm made of cold stone
Just like your prison walls
A criminal mind
I AM
