

Love Defined

Heffron Drive

Clouds that fill my mind
Spill and tumble
interwined with flashes
of your fire eyes that heat the core
of my insideshaking in my hand
intensifies with every
passing glance
that i get sent from you
it stins me like a new tattoTell me, tell me
i'm not crazy
cause my vision's blurry
eyes are hazy
is this real or not?
take a shot
Help me, help me
i need saving
cause i'm drowning, drowning
no scaping
your rising tide
love defined
love definedBeating in my chest
sweeps me off my feed
and now i'm wreeked
cause i need you
around to show me
i'm on solid ground, groundTell me, tell me
i'm not crazy
cause my vision's blurry
eyes are hazy
is this real or not?
take a shot
Help me, help me
i need saving
cause i'm drowning, drowning
no scaping
your rising tide
love defined
love definedlove defined
love defined
love defined
love defined
love defined

love defined
love defined
love defined
love defined
love defined Tell me Tell me, tell me
i'm not crazy
cause my vision's blurry
eyes are hazy
is this real or not?
take a shot Help me, help me
i need saving
cause i'm drowning, drowning
no scaping
your rising tide
love defined
