

No Sense

Cat Power

Do you remember
Do you remember
That night at context
Making up shit
Like we were animals We made no sense
No sense
We had no sex Can you see, can you see, can you see
Can you see, can you see, can you see
The moon is so hollow
What's the use
When I can see right through you
What's the use
All the hearts that touch your cheek
How they jump they move they embarrass
All the hearts that touch your cheek
How they jump they move they embarrass
They make no sense, no sense, no sense
No sense, we had no sex
