## **Crying**

## **Roy Orbison**

I was all right for awhile I could smile for awhile But I saw you last night You held my hand so tight As you stopped to say, "Hello"Oh, you wished me well You, you couldn't tell That I'd been crying over you Crying over you When you said, "So long" Left me standing all alone Alone and crying, crying Crying, cryingIt's hard to understand But the touch of your hand Can start me cryingI thought that I was over you But it's true, so true I love you even more Than I did beforeBut, darling, what can I do? For you don't love me And I'll always be crying over you Crying over you Yes, now you're gone And from this moment on I'll be crying, crying Crying, crying Yeah, crying, crying Over you
