What I like about you

You make me smile when I'm down

You're always so cool

You make me feel like I'm grounded again, boy

You make me smile when I don't want to

You always know what to say, to me

You make me remember to play like I did when I was four

I adore you

Completely, so deeply

It's true, boy

I adore you

So sweetly baby, you know that it's true What I like about you

What I like about you

You make me feel like I'm here

Not lost in the atmosphere, somewhere, boy I adore you

Completely, so deeply

It's true, boy

I adore you

So sweetly baby, you know that it's true

And all I want to do is give my life to you

And share the things that make us happy

And all I ever dreamed of is coming true

Oh, it's you
