

# Do You No Wrong

Richie Campbell

You the one i really want, oh yeah  
All your friends and i'm the one  
And i don't like your men, no  
But this is not the real reason  
You should be mine, because i'm yours  
You know i've, been waiting by the door  
I don't mind, don't mind on you moving so cold  
Cause i know that one day you'll be mine  
Don't get me wrong you know our way  
Few women can not listen me  
Don't get me wrong baby I swear  
If you come my way i will do you no wrong Do ya no wrong, ahh  
Do you no wrong, ahh  
Do ya no wrong, ahh  
Do you no wrong, ahh  
I'm the one you really want  
Fuck your men you know he soft  
And i don't like your plan, noo  
You and I cannot be friends  
You should be mine, because i'm yours  
You know I've, been waiting by the door  
I don't mind, don't mind on you moving so cold  
Cause i know that one day you'll be mine  
Don't get me wrong you know our way  
Few women can not listen me  
Don't get me wrong baby i swear  
If you come my way i will do you no wrong Do ya no wrong, ahh  
Do you no wrong, ahh  
Do ya no wrong, ahh  
Did you know, that your man  
Mess around with other girls and all  
He don't really care about you  
Did you know, that your man  
Always on the wrong without you  
He don't give a fuck whos with you, damn  
Did you did you know?  
I'm telling you he's hot has cold  
You should be mine, because i'm yours  
You know I've, been waiting by the door  
I don't mind, don't mind on you moving so cold  
Cause I know that one day you'll be mine  
one day you'll be mine

one day you'll be mine  
one day you'll be mine  
If you come our way i will do you no wrongDo ya no wrong  
Do you no wrong  
Do ya no wrong
