

Yonkinto (feat. Zanda)

Prince Kaybee

Its becoming one dimensional
You should know that I'm a woman with needs
And your love is just too seasonal
I have had fun but so you wont see me plead
You have a great responsibility to me
Let me know when you cannot do the deed
You have a great responsibility to me
Let me know if you cannot do the deedNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkintoNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkinto
Ndifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkintoNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkintoI want it all from the sky to the ground
daily cause it is time for you to be around
I am selfish sure goodness I am
I just don't wanna be the kind of girl that makes you cry
I want it all from the sky to the ground
daily cause its time for you to be around
I am selfish, sure goodness I am
I just don't wanna be the kind of girl that makes you cryNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkintoNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkinto
Ndifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkintoNdifun ungiho ye ndifu uthando
ubukho bakho bendenzele yonkinto
