

# Good Day

## The Dresden Dolls

So you don't want to hear about my good song?  
And you don't want to hear about how I am getting on  
With all the things that I can get done  
The sun is in the sky I am by my lonesome  
So you don't want to hear about my good day?  
You have better things to do than to hear me say  
God its been a lovely day  
Everything's been going my way  
I took out the trash today  
And I'm on fire  
So you don't want to hear about my good friends?  
You don't have the guts to take the truth or consequence  
Success is in the eye of the beholder  
And its looking even better over your cold shoulder  
I'm not suggesting  
You get to line me up for questioning  
But Jesus think about the bridges you are burning  
And I'm betting  
That even though you knew it from the start  
You'd rather be a bitch than be an ordinary broken heart  
So go ahead and talk about your bad day  
I want all the details of the pain and misery  
That you are inflicting on the others  
I consider them my sisters and I'd want their numbers  
God its been a lovely day!  
Everything's been going my way  
I took up croquet today  
And I'm on fire  
I picked up the pieces of my broken ego  
I have finally made my peace as far as you and me go  
But I'd love to have you up to see the place  
I'd like to do more than survive I'd like to rub it in your face  
Hey! its been a lovely day  
Everything's been going my way  
I had so much fun today  
And I'm on fire  
God it's been a lovely day  
Everything's been going my way  
Ever since you went away hey  
I'm on fire I'm on fire  
I'm on fire  
I'm oooooon...I'm on fire  
I'm on fire  
I'm on fire  
I'm on...  
So you don't want to hear about my good day?
