

# Wasted

## Cartel

It's 2: 45 the baby takes his first breath  
The mother never knew he only had a few left  
And the father gets a call in the middle of the night  
His breath gets short and his chest gets tight But he's 16 and he's driving too fast  
Takes a turn to the left, it would be his last  
The body knows what happens if he turns to the right  
The body in the car woulda died that night But he's 32 and invincible  
The cancer he had it was visceral  
He never saw it coming,  
But he had his own life  
Sick in the morning and he died in the night  
We're all so  
We're on the line  
We're all  
We're all [oh]  
We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted He's 7 years old, got his bat in his hand  
He's looking for his father and he doesn't understand  
'Coz dad's too busy got some deals on the way  
His son sits alone as the children play And he's 18, couldn't wait to move out  
His parents wonder what all the rush is about  
They never bothered with his dreams only thinking of theirs  
Wonder's why he doesn't call and why he doesn't care  
But he's 32 and invincible with  
Everything he is based on principle  
He never had a truly happy moment in his life  
He didn't want the kids and he didn't want his wife We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted  
We're wasted  
We're all wasted  
We're all wasted, no no  
We're all wasted 23 now, got his life in his hands  
He's looking all around and he doesn't understand  
'Coz life's too busy, things get in the way  
We all feel alone every single day And I'm 18, couldn't wait to move out  
It's been five years and now I'm starting to doubt  
Whether all my dreams are just aimless stares  
Looking out to someplace that isn't there When I'm 32 will I be miserable when

Everything around based on principle  
Well, I have a clue, wouldn't it be nice  
To never be alone in this wasted life We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted  
We're wasted  
We're all wasted  
We're wasted, no  
We're all wasted
