Dwoondi
Alas sharum du koos
Shaley koot-tum.
And in the harbor she sleeps
On her anchor waiting direction
Then through the storms we align
Life and search forever after
So we gather our way to

Answer all of our failures
(Failures)
With hope and redemption
Rest inside the flames
Just continue the chase
Through the darkest
Across the mouth
And into this ocean
We see through skin
To never forget
When all hope is lost
Hearts turn to lock
Set your sights to improve
Set your sights to improve
We gather our way to
Answer all of our failures
(Failures)
With hope and redemption
Rest inside the flames
Continue the chase
Through the darkest
Across the mouth
And into this ocean
We see through skin
To never forget
When all hope is lost
Hearts turn to lock
Set your sights to improve
Set your sights to improve
Don't let the lights turn out
This watery grave
Inside every page
Avoiding, avoiding
Don't let the lights turn out
Don't let the lights turn out
Don't let the lights turn out
Don't let the lights turn
Across the mouth
And into this ocean
We see through skin
To never forget
When all hope is lost
Hearts turn to lock
Set your sights to improve
And rest inside the flames
Rest inside the flames
Rest inside the flames
Rest inside the flames
