## **Annie Get Your Gun**

## **Squeeze**

She goes for her medical She's passed, it's a miracle She's up over the moon

She whistles nonsense tunesShe wants drinks for everyone

She's found a chord that she can strum

Emotions leakin' out

Her paint's all over townWhat's that she's playin'?

(Annie get your gun)

What's that she's takin'?

(The song has to be sung)

She's gone electric

(Annie wipe them out)

That's unexpected

(Strum that thing and shout)

Don't pull that trigger

(Annie get your gun)

Don't shoot that singer

(You're shooting number one, number one)

He's not into miracles

Sees life all too cynical

The cat has got his tongue

Now she bangs on his drumHe says, "Pull the other one"

Bells ring, look what you have done

Emotions leakin' out

Her paint's all over townWhat's that she's playin'?

(Annie get your gun)

What's that she's takin'?

(The song has to be sung)

She's gone electric

(Annie wipe them out)

That's unexpected

(Strum that thing and shout)

Don't pull that trigger

(Annie get your gun)

Don't shoot that singer

(You're shooting number one)

Get your gun

Get your gunShe's gone electric

(Annie wipe them out)

That's unexpected

(Strum that thing and shout)

Don't pull that trigger

## (Annie get your gun) Don't shoot that singer (Annie, Annie)
