

# Big Cat

## Wild Beasts

A big cat, bet you get a lot of that  
Went there with no way back  
You can look but don't touch  
On heat, big cat got a mean streak  
No match for this athlete  
You can look but don't touch  
You can look but don't touch Big cat on top  
Better show me what you've got  
Big cat, top of the food chain  
Big cat, top of the food chain  
Big cat on top  
Better show me what you've got  
Big cat, top of the food chain  
Big cat, top of the food chain  
Get back, big cat having none of that  
Save what you can't retract  
You can look but don't touch  
Gratified, big cat got a birthright  
Sole survivor of his kind  
You can look but don't touch Big cat on top  
Better show me what you've got  
Big cat, top of the food chain  
Big cat, top of the food chain  
Big cat on top  
Better show me what you've got  
Big cat, top of the food chain  
Big cat, top of the food chain  
Take the collar off, baby  
Won't be a house cat  
Are you okay with that?  
It takes a lot of love, baby  
To love a big cat  
Are you okay with that?  
It takes all of me, baby  
Being the big cat  
But I'm okay with that I know I ask a lot  
Big cat gotta be on top  
Big cat, top of the food chain  
Big cat, top of the food chain  
Big cat on top  
Better show me what you've got  
Big cat, top of the food chain

Big cat, top of the food chain  
You can look but don't touch  
Better show me what you've got  
Big cat on top
