

# Fades Away (feat. Noonie Bao)

Avicii

[Verse 1]

All of the troubled times that we have overcome  
All of the trials to find somewhere that we belong  
All I know is that, with you, I'm holding on  
'Cause all of the days out, all of the days out on the run[Pre-Chorus]  
Don't you love it? How it all just fades away  
When your clothes don't feel the songs of yesterday  
And I can't go back, and I can't go back  
Don't you love it? How it all, it all just fades away

[Chorus]

It all just fades away[Verse 2]

All of the tracks we traced, we raced to reach the sun  
All of the lights to find a place where we belong  
All I know is that, with you, I'm moving on  
'Cause all of the days out, all of the days out on the run[Pre-Chorus]  
And I can't go back, and I can't go back  
Don't you love it? How it all, it all just fades away

[Chorus]

It all just fades away

It all just fades away

It all just fades away

It all just fades away[Outro]

And I can't go back and I can't go back

Don't you love it? How it all, it all just fades away
