Fat Freddy's Drop

The willow tree
tree, willow tree,
willow tree,
Moving like the willow tree x4
(come closer) Moving like the willow tree
I, I, I, I, I
I would step out of the rush for you x4
theres nothing that I would rather do
than step out of the rush for you
yeaah
come with your wanton fashion if thats what you think is good x2
good
yeahh come with your styling ways to me its all the same, what ever
come with your wanton fashion
If thats what you think is good, what ever, yeah
you, what ever you feel, whaoo, yeah its good.
