

Pole In My Basement

Bow Wow

[Intro:]

Yeah

It's going down

Get your money out

Magic city, Body tap, onyx

We gon take it all the way out west

Spearmint Rhino

Scores out in Vegas

Can't forget about tootsie diamonds in Miami

Let's Go!

We gon make it storm in here tonight

[Chorus:]

I got a pole in my basement

So shawty u ain't gotta go in

Shawty just come bring a friend

I got a pole in my basement

Lil mama I got ones on deck

Shawty got money to spend

Come over, over

I'm gon brake you off

Lil mama I know what you need

So mama come over over

I'm gon brake you off

Lil mama I know what you need

[Verse 1:]

Bring all ya girls cause I got my niggas with me
Them niggas throwing singles, shawty be throwing fifties
Cause I'm gon make it storm, make it storm, in here, in here

Big ballas no lames in here in here, in here

Drop it left, up and down, to the floor lil mama

Throw some more cash at ya, can you do it longer?

She a bonified pro doin tricks like a magician

Got a ass like bucky so I gotta keep tipping

She definitely a ten got all the guys chasing

Shawty fuck the club I got a pole in my basement

Call me Mr. ATM cause the mama full of cash

If I run out don't worry girl I got another stash [Chorus:]

I got a pole in my basement

So shawty u ain't gotta go in

Shawty just come bring a friend

I got a pole in my basement

Lil mama I got ones on deck

Shawty got money to spend
Come over, over
I'm gon brake you off
Lil mama I know what you need
So mama come over over
I'm gon brake you off
Lil mama I know what you need[Verse 2:]
I'm gon make it Katrina
These niggas make it dizzy
I'm gon off patron
She gon off of skittles
I'm gon keep tossing money, till I can't no more
I'm gon keep tossing money, till my arm get sore
See let's play a game all u really want to know
Guard try to pick up every single dolla I throw
It might take a lil minute maybe even a hour
How bout you and ya homegirls meet me in the shower
No it ain't tricking babygirl if you got it
Plus your face is like Beyonce
Damn you a problem
Now we can do this all night girl err day
Now how you do that?
I need it's a replay
Now bring it back shawty[Chorus:]
I got a pole in my basement
So shawty u ain't gotta go in
Shawty just come bring a friend
I got a pole in my basement
Lil mama I got ones on deck
Shawty got money to spend
Come over, over
I'm gon brake you off
Lil mama I know what you need
So mama come over over
I'm gon brake you off
Lil mama I know what you need[Outro: talking]
