

Not Ashamed (feat. David Moore)

Gateway Worship

Love came broke through my darkest night
Broke chains and surrounded me with light

I'm alive on the inside

Can't hide it

This love I've found

Can't hide it

Gonna make a shout so loud

The world will hear the sound

Let's let 'em hear it I am not ashamed

I am not ashamed

No way!

I've been saved by amazing grace

And nothing's gonna take it away

From me away!

I'm saved

Led out to the light

Remade by the blood of Jesus Christ

I'm alive on the inside

Can't hide it

This love I've found

Can't hide it

Gonna make a shout so loud

The world will hear the sound

Let's let 'em hear it I am not ashamed

I am not ashamed

No way!

I've been saved by amazing grace

And nothing's gonna take it away

From me away!

I am not ashamed

I am not ashamed

No way!

I've been saved by amazing grace

And nothing's gonna take it away

From me away! Not height, nor depth

Nor trial or pain

Can separate or take away

My hope, my life

My joy or song

In Jesus I'll be standing strong Not height, nor depth

Nor trial or pain

Can separate or take away

My hope, my life
My joy or song
In Jesus I'll be standing strong I am not ashamed
I am not ashamed
No way!
I've been saved by amazing grace
And nothing's gonna take it away
From me away! I am not ashamed
I am not ashamed
No way!
I've been saved by amazing grace
And nothing's gonna take it away
From me away!
