

# Fade Like a Shadow

[KT Tunstall](#)

You grew wings on your heart  
But you let it out your ribcage  
And it flew into the dark Like a ghost, just like a ghost  
And it flutters by my window  
When I need my sleep the most So choose my weapon and choose my way  
It's easy saying nothing when there's nothing to say  
Thinking about it everyday  
And starting to notice you're fading away Fade like a shadow  
Fade like a shadow  
Fade like a shadow, fade Fade like a shadow  
Fade like a shadow  
You want eyes in your hands  
And power in your pocket  
As I stop to watch you dance With your hips swinging  
They shake, hips swinging got your  
Hips swinging, they shake, hips swinging got your  
Hips swinging, they shake, hips swinging again Got your hips swinging, they shake, hips  
swinging got your  
Hips swinging, they shake, hips swinging got your  
Hips swinging, they shake, hips swinging  
Again, again and again and again So choose my weapon and choose my way  
It's easy saying nothing when there's nothing to say  
Thinking about you everyday starting to notice Then two steps forward and one step back  
Make up in love what you think I lack  
You've got a vampire on your neck  
Everybody knows what happens next, you  
Fade like a shadow  
Fade like a shadow  
Fade like a shadow, fade Fade like a shadow  
Fade like a shadow So choose my weapon and choose my way  
(Fade like a shadow, fade like a shadow)  
It's easy saying nothing when there's nothing to say  
(Fade like a shadow, fade)  
Thinking about you everyday starting to notice  
(Fade like a shadow, fade like a shadow) Fade like a shadow  
Fade like a shadow  
Fade like a shadow, fade You fade like a shadow  
Fade like a shadow
