

Fade Like a Shadow

[KT Tunstall](#)

You grew wings on your heart
But you let it out your ribcage
And it flew into the dark Like a ghost, just like a ghost
And it flutters by my window
When I need my sleep the most So choose my weapon and choose my way
It's easy saying nothing when there's nothing to say
Thinking about it everyday
And starting to notice you're fading away Fade like a shadow
Fade like a shadow
Fade like a shadow, fade Fade like a shadow
Fade like a shadow
You want eyes in your hands
And power in your pocket
As I stop to watch you dance With your hips swinging
They shake, hips swinging got your
Hips swinging, they shake, hips swinging got your
Hips swinging, they shake, hips swinging again Got your hips swinging, they shake, hips
swinging got your
Hips swinging, they shake, hips swinging got your
Hips swinging, they shake, hips swinging
Again, again and again and again So choose my weapon and choose my way
It's easy saying nothing when there's nothing to say
Thinking about you everyday starting to notice Then two steps forward and one step back
Make up in love what you think I lack
You've got a vampire on your neck
Everybody knows what happens next, you
Fade like a shadow
Fade like a shadow
Fade like a shadow, fade Fade like a shadow
Fade like a shadow So choose my weapon and choose my way
(Fade like a shadow, fade like a shadow)
It's easy saying nothing when there's nothing to say
(Fade like a shadow, fade)
Thinking about you everyday starting to notice
(Fade like a shadow, fade like a shadow) Fade like a shadow
Fade like a shadow
Fade like a shadow, fade You fade like a shadow
Fade like a shadow
