Fade Like a Shadow

KT Tunstall

You grew wings on your heart

But you let it out your ribcage

And it flew into the dark like a ghost just lil

And it flew into the darkLike a ghost, just like a ghost

And it flutters by my window

When I need my sleep the mostSo choose my weapon and choose my way

It's easy saying nothing when there's nothing to say

Thinking about it everyday

And starting to notice you're fading awayFade like a shadow

Fade like a shadow

Fade like a shadow, fadeFade like a shadow

Fade like a shadow

You want eyes in your hands

And power in your pocket

As I stop to watch you danceWith your hips swinging

They shake, hips swinging got your

Hips swinging, they shake, hips swinging got your

Hips swinging, they shake, hips swinging againGot your hips swinging, they shake, hips swinging got your

Hips swinging, they shake, hips swinging got your

Hips swinging, they shake, hips swinging

Again, again and again and againSo choose my weapon and choose my way

It's easy saying nothing when there's nothing to say

Thinking about you everyday starting to noticeThen two steps forward and one step back

Make up in love what you think I lack

You've got a vampire on your neck

Everybody knows what happens next, you

Fade like a shadow

Fade like a shadow

Fade like a shadow, fadeFade like a shadow

Fade like a shadowSo choose my weapon and choose my way

(Fade like a shadow, fade like a shadow)

It's easy saying nothing when there's nothing to say

(Fade like a shadow, fade)

Thinking about you everyday starting to notice

(Fade like a shadow, fade like a shadow)Fade like a shadow

Fade like a shadow

Fade like a shadow, fadeYou fade like a shadow

Fade like a shadow
