That gyal unruly, so bad and boujee
(Beatfreakz)That gyal unruly' I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujee
That gyal unruly' I can't lie she a cutie
And all the mandem wanna chase her

And all the mandem wanna chase her
'Cause that gyal bad and boujee
That gyal unruly, I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujee
Hold it back, she wants the fun and that
My new ting got my old tings running back
Sweet one straight out from Antigua
Never met no one as bad as her
Bad as her' baby you stay in the seat, you ain't no amature
Next man need to take a seat 'cause he ain't bad enough
After see you in that dress when you just back it up, so come and back it upYeah
She my main meal' my main course
So petite shit I used to think I wasn't buff
I'll close the front door you open yours
Pipe games scouse, guys stay up north uh
I knew it whenever I see a present, I'ma win her
Meet ya, I'ma keep her when she say she don't like Insta
She can be unruly when my ruley go up in her
Used to say she don't like rappers and she don't like singers
That gyal unruly, I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujee
That gyal unruly, I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujeeShe wan' miss me, fuck that
Back in the day she try diss me diss me
Back in the day she na kiss me
Now she wan' tell to her friend she my habibti
She wan' give me the light
I wan' give her the pipe, she wan' see me tonight
I wan' dig it inside, now I'm hitting it right
She need dick in her lifeWe roll in for the money
2 bad b's, don't mention my honey

I just wanna go get the bag and now they love me
Couple gyal stories, screaming that the fucked me
Pumpy Pumpy, jumpy, legs up on me, let's get funky
Ladi dadi, now they love me
The mandem gassed up, never grumpy That gyal unruly, I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujee
That gyal unruly, I can't lie she a cutie
And all the mandem wanna chase her
'Cause that gyal bad and boujee Beatfreakz
