

He Knows

Jeremy Camp

All the bitter weary ways
endless striving day by day
you barely have the strength to pray
in the valley low How hard your fight has been
how deep the pain within
wounds that no one else has seen
hurts too much to show All the doubt you're standing in between
And all the weight that brings you to your knees
He knows, he knows
Every hurt and every sting
He has walked the suffering
He knows, he knows
Let your burdens come undone
Lift your eyes up to the one
Who knows
He knows We may faint and we may sink
feel the pain and near the brink
but the dark begins to shrink
when you find the one who knows The chains of doubt that held you in between
one by one are starting to break free Every time that you feel forsaken
every time that you feel alone
He is near to the broken hearted
every tear
He knows, he knows
Every hurt and every sting
He has walked the suffering
He knows, he knows
Let your burdens come undone
Lift your eyes up to the one
Who knows
He knows Every time that you feel forsaken
every time that you feel alone
He is near to the broken hearted
every tear He knows, he knows
Every hurt and every sting
He has walked the suffering
He knows, he knows
Let your burdens come undone
Lift your eyes up to the one
Who knows
He knows He knows He knows
