

# Drinking Alone

## Carrie Underwood

[Verse 1]

Let me make one thing clear  
You can buy me a beer, but you ain't taking me home  
No pick up lines, I came here tonight to shed a few tears on my own  
But sitting there across the room  
I couldn't help but notice you seemed a little down on your love too  
Yeah, my heart might be breaking  
But, this seat ain't taken  
And you've got me thinkin'

[Chorus]

We should be drinkin' alone, together  
Drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss to make me forget that he's gone  
Oh, we should be drinkin' alone (Ooh, ooh, ooh, ooh, ooh, ooh)  
We should be drinkin' alone, together (Ooh, ooh, ooh, ooh, ooh, ooh)[Verse 2]

I don't know what she did to make you hurt like this  
But, I know just what to do  
It starts with a bottle of good [?]  
And ends with a shooter or two  
Tomorrow when the sun comes up  
Baby, just forget my name  
Won't be your one and only  
But just 'cause we're lonely don't mean that we should

[Chorus]

We should be drinkin' alone together  
'Cause drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss to make me forget that he's gone  
Oh, we should be drinkin' alone  
Drinkin' alone, Drinkin' alone (together)  
Maybe we shouldn't be drinkin' alone (we should be drinking alone)  
Drinkin' alone, Drinkin' alone  
Maybe we shouldn't be drinkin' alone[Bridge]

I'll pretend that I care  
Baby, pull up a chair  
We'll stay here 'til they make us go home[Chorus]  
We should be drinkin' alone  
Oh, we should be drinkin' alone together  
Drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss to make me forget that he's gone  
Oh, we should be drinkin' alone  
Maybe we shouldn't be drinkin' alone (we should be drinking alone)  
Drinkin' alone, Drinkin' alone  
Maybe we shouldn't be drinkin' alone[Outro]  
We should be drinkin' alone
