

Lunatic Fringe

Red Rider

Lunatic Fringe
I know you're out there
You're in hiding, and you hold your meetings
I can hear you coming, and I know what you're after
We're wise to you this time we won't let you kill the laughter
Lunatic Fringe - in the twilight's last gleaming
This is open season, but you won't get too far
'Cause you got to blame someone for your own confusion
We're all on guard this time against the Final Solution
We can hear you coming no, you're not going to win this time,
your not gonna win We can hear the footsteps out along the walkway
Lunatic Fringe - we all know you're out there
Can you feel the resistance?
Can you feel the thunder?
Oh Yea-a-a
