

# A Little Piece of Heaven

## Avenged Sevenfold

Before the story begins, is it such a sin,  
For me to take what's mine, until the end of time  
We were more than friends, before the story ends,  
And I will take what's mine, create what  
God would never design  
Our love had been so strong for far too long,  
I was weak with fear that  
Something would go wrong,  
Before the possibilities came true, I took all possibility from you  
Almost laughed myself to tears,  
Conjuring her deepest fears  
(come here you fucking bitch)  
Must have stabbed her fifty fucking times,  
I can't believe it,  
Ripped her heart out right before her eyes,  
Eyes over easy, eat it eat it eat it  
She was never this good in bed  
Even when she was sleepin'  
Now she's just so perfect I've Never been quite so fucking deep in  
It goes on and on and on,  
I can keep you lookin' young and preserved forever,  
With a fountain to spray on your youth whenever  
'Cause I really always knew that my little crime Would be cold that's why I got a heater for your  
thighs  
And I know, I know it's not your time  
But bye, bye And a word to the wise when the fire dies  
You think it's over but it's just begun  
But baby don't cry  
You had my heart, at least for the most part  
'Cause everybody's gotta die sometime, we fell apart  
Let's make a new start  
'Cause everybody's gotta die sometime yeah  
But baby don't cry  
Now possibilities I'd never considered,  
Are occurring the likes of which I'd never heard, Now an angry soul comes back from beyond  
the grave,  
To repossess a body with which I'd misbehaved  
Smiling right from ear to ear  
Almost laughed herself to tears  
Must have stabbed him fifty fucking times  
I can't believe it Ripped his heart out right before his eyes  
Eyes over easy

Eat it eat it eat it  
Now that it's done I realize the error of my ways I must venture back to apologize from  
somewhere far beyond the grave  
I gotta make up for what I've done  
'Cause I was all up in a piece of heaven  
While you burned in hell, no peace forever  
'Cause I really always knew that my little crime  
Would be cold that's why I got a heater for your thighs  
And I know, I know it's not your time  
But bye, bye And a word to the wise when the fire dies  
You think it's over but it's just begun  
But baby don't cry  
You had my heart, at least for the most part  
'Cause everybody's gotta die sometime, we fell apart Let's make a new start  
'Cause everybody's gotta die sometime yeah  
But baby don't cry  
I will suffer for so long  
(What will you do, not long enough)  
To make it up to you  
(I pray to God that you do)  
I'll do whatever you want me to do (Well then I'll grant you one chance)  
And if it's not enough  
(If it's not enough, If it's not enough)  
If it's not enough  
(Not enough) Try again  
(Try again)  
And again  
(And again)  
Over and over again  
We're coming back, coming back We'll live forever, live forever  
Let's have wedding, have a wedding  
Let's start the killing, start the killing  
"Do you take this man in death for the rest of your unnatural life"  
"Yes, I do" "Do you take this woman in death for the rest of your unnatural life"  
"I do"  
"I now pronounce you"  
'Cause I really always knew that my little crime  
Would be cold that's why I got a heater for your thighs  
And I know, I know it's not your time  
But bye, bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun  
But baby don't cry  
You had my heart, at least for the most part  
'Cause everybody's gotta die sometime, we fell apart  
Let's make a new start  
'Cause everybody's gotta die sometime yeah  
But baby don't cry
