

# She's Like the Wind (feat. Wendy Fraser)

Patrick Swayze

She's like the wind through my tree,  
She rides the night next to me  
She leads me through moonlight  
Only to burn me with the sun  
She's taken my heart  
But she doesn't know what she's done  
Feel her breath on my face  
Her body close to me  
Can't look in her eyes  
She's out of my league  
Just a fool to believe  
I have anything she needs  
She's like the wind  
I look in the mirror and all I see  
Is a young old man with only a dream  
Am I just fooling myself  
That she'll stop the pain  
Living without her  
I'd go insane  
Feel her breath on my face  
Her body close to me  
Can't look in her eyes  
She's out of my league  
Just a fool to believe  
I have anything she needs  
She's like the wind  
I feel your breath on my face  
Your body close to me  
Can't look in your eyes  
Your out of my league  
Just a fool to believe  
(Just a fool to believe)  
She's like the wind  
(Just a fool) Just a (to believe) fool to believe (She's like the wind) Just a fool to believe (Just a  
fool to believe) She's like the wind She's like the wind (Just a fool, She's like the wind)
