

# Are You Okay?

## Dum Dum Girls

The day swayed like some new drug  
My eyes are shot  
But my face is numb  
I know just what I'm doing  
But what is this that I'm pursuing You say  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay  
Are you okaay?

What do you feel? I feel it too  
(Can you put it into words?)  
What do you feel? I feel it too  
(Can you put it into words?) Sometimes my heart is pure  
Sometimes I know it's not  
Sometimes it disappears  
Returns a lot And you say  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay  
Are you okaay?

What do you feel? I feel it too  
(Can you put it into words?)  
What do you feel? I feel it too  
(Can you put it into words?) But what if it doesn't go away  
What if this feeling always plagues  
I'm reckless at night  
I'm sorry for days  
I'm looking for you  
Through lavender haze And you say  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay  
Are you okay?  
You say-ay-ay-ay

Are you okaay?
