

# Undefeated

Jason Derulo

Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Undefeated Wish I knew then what I know now, but I, I  
Can't change the past no matter how I try, I So I'ma get up and dance, you know  
'Cause this might be my last chance  
Like there's nobody around Even gravity can't keep me down  
Everybody, get it started  
I'm on top of the world, what a feeling  
I'm undefeated, undefeated, yeah  
No one told me what I could be  
Now I'm walking on air, what a feeling  
I'm undefeated, undefeated tonight  
Undefeated No looking back, can't live that way right now, ow  
Yesterday's gone, I've found my way somehow, ow So, so, so I'ma get up and dance, you know  
'Cause this might be my last chance  
Like there's nobody around Even gravity can't keep me down  
Everybody, get it started  
I'm on top of the world, what a feeling I'm undefeated, undefeated, yeah  
No one told me what I could be Now I'm walking on air, what a feeling  
I'm undefeated, undefeated tonight  
So I'll live today like it's my last one  
There's no time for fear, you only live once  
Everybody, get it started  
I'm on top of the world, what a feeling  
Please believe it, I'm undefeated  
No one told me what I could be  
Now I'm walking on air, what a feeling  
I'm undefeated, undefeated tonight  
What a feeling to be a undefeated  
Undefeated tonight  
Undefeated
